10 GUIYANG, China
Ladies and gentlemen,

The 34th annual Conference of the Asia-Pacific Occupational Safety and Health Organization (APOSHO) will be held in Guizhou, China in September 2019.

On the behalf of the China Occupational Safety and Health Association (COSHA), I would like to extend a warm welcome to all the participants from various nations of the world.

Activities of occupational safety and health directly concern the safety, physical and mental health of everybody. Therefore, it an acceptable fact that better occupational safety and health is the key to meeting people’s increasing demands for a better life. APOSCHO is one of the most effective organizations not only in Asia-Pacific region but also in all over the world. APOSCHO has been dedicated to its mission since its establishment in 1985 playing a vital role in preventing occupational accidents and hazards. Over the past few years, countries in Asia Pacific have set great store by occupational safety and health and made great progress through concrete actions.

China Occupational Safety and Health Association (COSHA) is the host of this conference. Themed as “Caring for Life and Jointly Forging Ahead”, this conference is designed to strengthen exchanges, cooperation and mutual learning so that they can join hands in advancing the Asia-Pacific regional development of occupational safety and health.

Since its establishment, COSHA has contributed to the development of occupational safety and health as well as the international exchanges and cooperation in this field. In future, we will continue to increase our exchanges and cooperation with regional countries and beyond and improve our work in all aspects to support the work of the government, enterprises and employees. In particular, we will take this opportunity to make the best of the conference outcomes, keep on forging ahead and contributing to the long-term development of occupational safety and health.

Friends from occupational safety and health community, let’s join hands and fight for our common goals!

Finally, I sincerely wish all of you a happy, healthy time during in this conference in China.

**WANG Dexue**
Chairman of APOSCHO 34
& President of COSHA
Welcome to 2019 and welcome to APOSCHO 34.
COSHA as the host of APOSHO 34 has been planning this event for a considerable amount of time and the arrangements are well underway.

The theme for APOSHO 34 in Guiyang China is “Caring for life and jointly forging ahead” with a large focus on cooperation and mutual learning.

The conference will again allow for all APOSHO members to come together and learn from one another as well as the array of excellent speakers that will be in attendance over the 2 days of the conference.

I would encourage all APOSHO members to make their plans to travel to Guiyang in September, where we can once again improve our knowledge of safety and work towards a world whereby all accidents are eliminated.

I look forward to meeting you all again very shortly.

Yours faithfully

Bernie Doyle
Secretary General of APOSHO
President and Chairman of the NSCA Foundation
Honorary life member of the NSCA
About APOSHO

The Asia Pacific Occupational Safety and Health Organization (APOSHO) is an international body composed of non-profit professional organizations devoted to the prevention of occupational accidents and diseases. Although full membership is given to non-governmental organizations in the Asia-Pacific region, any occupational safety and health organizations, even in the regions other than the Asia-Pacific, can join the APOSHO as associate or affiliate members. The first APOSHO Meeting took place in Singapore in August 1985 and was initiated by the National Safety Council of Singapore. It was called initially "the Coordinating Committee of Asia-Pacific National Safety Councils" and later in 1992 renamed as now at the 8th Annual Conference. Members now have 39 organizations from 20 different countries or districts.

Annual Conference

The annual conference of the APOSHO is held by turns on voluntary basis. Main programs include keynote and parallel sessions in which distinguished experts and delegates of participant organizations deliver speeches; confirmation of the minutes of previously-held annual conference; activity report of each APOSHO member organizations during the last one year; decision on the venue of next annual conferences; report of the results of the committee meetings.

Its Secretariat contains 32 employees, 7 departments including science and technology dept., membership dept., occupational safety dept., occupational health dept., education and training dept., asset and financial dept., general office, and expert consultative committee.

Main Missions:

Serving professionals of science and technology.

Innovation-Driven Development.

Improve the Scientific Quality of the Whole People.

Serving the Government and Enterprises in Scientific Decision-making.
Guiyang is the capital city of Guizhou Province with a total population of 3.5 million. Guiyang is not only the political, economic, scientific, technological, educational, cultural center in the province, but also an important transportation and communications hub in southwestern China. Guiyang is a comprehensive industrial base that taking good advantage of resources development.

Guiyang is a Forest City as well as a recreation resort. You can find beautiful natural sceneries, such as forests and mountains in the city, holes in the mountains, lakes in the holes. The lakes blend with mountains and the natural landscapes with the cultural sites and simple ethnic customs so wonderfully that each supplements and enriches the other.

Guiyang enjoys the good reputation as: There is paradise above, Suzhou and Hangzhou on the earth, but the most suitable city for habitation is Guiyang."

Guiyang received several honorary titles as follows: National Hygiene Excellent city, National Model City for Supporting Army, National Excellent City of Civilization Construction, China Excellent City of Tourism, National Afforestation City, Capital of Summer Resort in China as well as The First Forest City in China and The First Pilot City of Circular Economy in China.

Guiyang, a pearl in the plateau, releases its beautiful shines to the outside world. The city on the both sides of the Nanming River is full of business opportunities. Guiyang Municipal People’s Government and her warm-hearted people enthusiastically welcome you to our website for knowing our traditions and seeking cooperative opportunities. The businessman from home and abroad are expected to make sightseeing, investigation and investment in Guiyang. We can discuss development plans together.

You are welcome to Guiyang.
