To,

All NSC members/ patrons;

Subject: NSCI e-learning courses- special discounted rates

You are aware that the nation is passing through hard times due to outbreak of COVID-19 and total lockout imposed by the government as a precautionary measure to reduce the impact. Under these circumstances we are unable to deliver our regular National level and site level training courses. In order to cope up with these hard times and provide uninterrupted services, we are making attempts to continue the delivery of some of our courses through a digital media. This will help our members and all interested parties to make a productive use of the time available due to lockdown, by taking these e-learning safety courses.

We are offering these courses at a 50% special discounted fees. The rates for each e-learning course inclusive of applicable taxes are as given below;

1. Construction Safety at Site - ₹ 5000/-
2. Chemical Safety - ₹ 5000/-
3. Electrical Safety - ₹ 3500/-
4. Industrial Safety - ₹ 2500/-

This offer is valid till 30th April, 2020. Kindly log one to www.nsc.org.in to register.

I hope you will use this opportunity for taking the e-learning safety courses and make good use of the time.

Regards,

Lalit R. Gabhane
Director General
